

Inland Empire Sales & Marketing Council 2010 Partnership Program

The 2010 Partnership Program provides our Council with funding to continue to advance the discipline of marketing and sales through education, networking and to provide a forum for the exchange of ideas. Participants receive the privilege of sponsor recognition, and a convenient way to avoid billings for individual events. All participants get year-round exposure, within their individual partnership category, on all emails and the IESMC website, including a hyperlink to your company's website.

The Council will hold one-half of each partnership level amount in a prepaid account which is available for use during the year for events and meetings that you choose to attend (sales awards, general membership meetings or seminars).

Note: So Cal Awards or other events hosted by other chapters & councils are excluded from this program.
